## What is SELF-STORAGE?

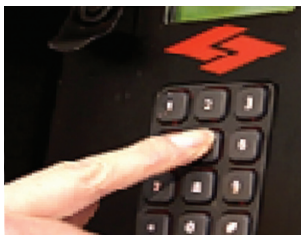

More and more people in Ireland today are finding it harder to manage the space they rent, own or lease and are turning to Mini Storage Self Storage Centres as a solution to cluttered personal and business lives. Whether you are looking to store just a few items, archive your business files or put some of your possessions in a safe, secure place for a few weeks, months or years, Mini Storage Self Storage Centres offer cost effective and flexible solutions for you.

### About Us

Established in 1991, Mini Storage is one of Ireland's leading self storage centres with locations in both Cork and Dublin. With more than 15 years experience in the self storage industry, Mini Storage have an in-dept knowledge of their client's requirements and needs.

### Security

Mini Storage Self Storage Centres, with its state-of-the-art security systems including CCTV protection, fire and intruder alarms, pin code access control key pads and individually alarmed units, offer all of its customers complete peace of mind when it comes to storing their personal or commercial belongings at our facilities. Each customer has their own lock and their own key to their individual unit and a unique pin code access to enter the facilities.

## Household, Commercial, Wine

### HOUSEHOLD Storage

- Temporary storage of household goods while moving home
